Neighborhood Newsletter

Feb-Apr 2019

Greetings, Thunderbird North neighbors!

Last year brought more improvements to our community pool and a beautiful renovation of the playground equipment at our local city park, Roane Park. City Council approved plans for a cell tower at Turtle Creek and Southern Hills Dr. and the developer made progress on the senior communities near the entrance to our neighborhood at Turtle Creek and Texas Parkway.

While no one knows what 2019 will bring, you can count on your TBNCA Board of Directors to work on your behalf to make sure our neighborhood continues to be a great place to live. What would you like to see happen this year? Mark your calendar and plan to attend a community meeting so you can share your thoughts with the Board. We meet on the third Wednesday of the month at City Centre starting at 6:30 pm - all are welcome and we hope to see you there!

Thank you for your continued support,

Susan Soto
President
